

RENT A FENCE PTY LTD

Workplace Health & Safety Policy

At **Rent A Fence Pty Ltd**, a commitment to workplace health and safety and the environment is part of the business.

This is achieved through:

- Complying with statutory requirements, codes, standards and guidelines;
- Setting up objectives and targets with the aim of eliminating work related incidents in relation to our activities, products and services; and
- Defining roles and responsibilities for workplace health and safety and the environment.

Strategies will include:

- Ensuring workplace health and safety and environment management principles are included in all organisational planning activities;
- Providing ongoing education and training to all of our employees;
- Consulting with employees and other parties to improve decision-making on workplace health and safety and environment matters;
- Ensuring incidents are investigated and lessons are learnt within the organisation;
- Distributing workplace health, safety and environment information, including this policy, to all employees and interested parties;
- Providing enough resources to ensure workplace health, safety and environment is a central part of the organisation; and
- Regularly reviewing this policy to ensure that objectives are being met and the policy remains relevant and effective;
- Ensuring effective injury management and rehabilitation is provided to all employees.
