WORKPLACE HEALTH AND SAFETY POLICY

At Rent a Fence Pty Ltd a commitment to the continual improvement of Workplace Health and Safety is a principal value of the business.

This commitment is achieved by:

- Compliance with statutory requirements, codes, standards and guidelines;
- Setting up objectives and targets with the aim of eliminating work related incidents in relation to business activities, products and services
- Defining roles and responsibilities for Workplace Health and Safety; and
- Designating management representatives with defined roles and responsibilities to implement the Workplace Health and Safety Management System.

Strategies include:

- Ensuring Workplace Health and Safety principles and guidelines are included in all organisational planning activities;
- Providing information, education and ongoing training to all employees;
- Consulting with employees and other relevant parties when making decisions on health and safety matters;
- Communicating all relevant material relating to Workplace Health and Safety to all employees;
- Communicating relevant material to any other interested parties;
- Ensuring that the objectives and targets are measurable;
- Ensuring incidents are investigated and any corrective actions taken to ensure further non-recurrences;
- Providing safe and adequate resources, infrastructure and equipment to ensure health and safety objectives can be met; and
- Ensuring that effective injury management and rehabilitation is available to all employees.

Management will monitor these activities. They will ensure that safe systems of work are put into place and give employees the opportunity to discuss safety issues and ideas for improvement.
